CATHOLICS LASH WILSON U.S. TO RECOGNIZE VICTORY OR DOOM

President's Action in Mexico Called Insult to Church-Organ of Southern Clergy Sees Challenge to the Faithful.

New Orleans, Oct. 16.—The Morning Star, regarded as the mouthpiece of the Catholic clergy of the South, published to day the following editorial. to-day the following editorial:

ber and despoiler of her sanctuaries, partment in December through M schools, convents and liospitals, the murderer of priests, the leader of vandal hordes, whose nameless outrages and The United States will be bereft of indignities to pure, consecrated nuns Church Organ Assalls Recognition its merchant marine in the Pacific and defenceless women and children show within two weeks and dependent upon the vicious darkness of his soul; Venus-

result solely of the La Fol-en's law and that the Pan-thact is not responsible for ama Canal act is not responsible for the "disastrous" situation. His own observer of the trend of events that teamships will hereafter make their Carranza was Mr. Wilson's choice among the rebel hordes.

"Mr. Wilson's recognition of Carranza, Complete control of the Pacific trade, he asserts, is now in the hands of the Japanese because of Congress's to them, and we hope that not only Catholics but every true lover of religious freedom, for which the glorious flag of our country stands, will give him such an open answer at the nolls as will such an open answer at the polls as will Transportation Company, one of the United States can so flagrantly ignore largest steamship lines operating on the lawful and respectful request of 16,000,000 fellow citizens without pay-

ceiver in the United States District
Court at Grand Rapids, Mich. Among
the reasons given for the voluntary
the reasons given for the voluntary
of the United States. It is the only way
in which all true lovers of religious
in which all true lovers of can show freedom, irrespective of creed, can show to the Administration at Washington how they revere and are determined to uphold this fundamental principle of the

American Constitution.
"Meantime, we do not hesitate to predict that long before that day comes the utter weakness of Mr. Wilson's Adwill make it impossible for them to ministration, especially as regards his Mexican policy—which has culminated, as every one could see it would, in the recognition of Carranza—will, through that very account, be exposed to the world for the utter fallacy that it is; for the veriest infant in statecraft should have intelligence enough to see that such a man as Carranza can never

The question was put squarely before Washington, Oct. 16.—Within two weeks the United States will be obliged to rely upon Japanese vessels to carry sil its mail and official communications between the Pacific coast and its own possessions in the Philippines. Every American ship will have abandoned the wishes of 16.000,000 Catholic fellow citizens and given the protection of our flag and the moral support of our Constitution to a party that has no respectively. flag and the moral support of our Constitution to a party that has no respect for God or man, law or order and whose expressed determination to persecute distinct the support of our Constitution and if it reduces Congress to silence, the object of Mr. Wilson will be achieved."

FOR BACKING CARRANZA CARRANZA AT ONCE IN BALKANS-GARVIN

"Venustiano Carranza, the bandit, the cutthroat, the outlaws the avowed persecutor of the Catholic Church, the rob-

ATTACK IN BROOKLYN.

the clergy of the Catholic Church in this country has received the announcethis country has received the announce-ment that President Wilson is about to recognize Gen. Carranza is supplied by editorial and news articles in the Tablet, which is the official organ of the Roman Catholic Church of the diocese of Brook

declared that the recognition of Carranza will be an open insult to 16,000,000 Catholics in the United States, because Carranza and his minions have been guilty for several years of piliage and murder, of unwarranted, sacrilegious attacks against priests and nuns and of consistent efforts to blot out the Catholic Church in Mexico by the most

and non-Catholic, urating that such a travesty be avoided, have been of no avail," says the Tablet. "Telegrams from organizations representing thou-sands of American citizens were ignored, all because a bandit and marauder follows a long period of terrorism and anarchy by 'guarantees' that all is well. "Take the portentous matter of religious toleration :

The Carranza Government in the politics of Mexico."

Moreover, the guarantees do not extend to 'religious persons'—that is, to priests and nuns—who may be accused constitutes participation rests with the Carranzista politicians. The political same nature; pardon for those whom he decides to spare, the firing squad for those whom he fears or upon whom he would be revenged.
